TRANSBAY DEMOLITION UPDATE: BEALE STREET CLOSURE THIS WEEKEND Friday, August 20, 2010 – Monday, August 23, 2010

This past weekend, we successfully removed the ramp over Howard Street. This coming weekend, August 20 – August 23, we are moving on to the Beale Street ramp between Howard and Folsom Streets. Due to the location and size of the ramp, Beale Street will be closed from 10:00 pm on Friday, August 20 until 5:00 am Monday, August 23. In order to remove the ramp within that time frame, 24 hour work will be required over the weekend.

The TJPA has placed a moratorium on jackhammering in between the hours of 11:00 pm and 6:00 am, however all other activities will be ongoing 24 hours a day during the specified hours of demolition.

Demolition is required in order to make way for the new Transbay Transit Center at First and Mission Streets.

If you have any general questions about the Transbay Transit Center Project, please call Courtney Lodato or Adam Alberti at (415) 227-9700.
