COMMUNICATION WITH WEBCOR/OBAYASHI JOINT VENTURE

At no time during the bid process (defined as the time between issuance of the IFB until award of Subcontract to Trade Subcontractor) shall Trade Subcontractors contact any person(s) or staff of the TJPA, TJPA Program Management/Program Controls (PMPC) team, Webcor/Obayashi Joint Venture, CM Oversight (CMO), or other TJPA Consultants regarding the IFB. The only contact is for submission of questions using the contact directions below.

Submit questions using the Questions on Bid Documents (QBD) form through Webcor/Obayashi Joint Venture. Refer to the Project Bidding Manual for the QBD form.

E-mail Webcor/Obayashi Joint Venture at TransbayBidding_TG04.3@webcor-obayashi.com.

Fax Webcor/Obayashi Joint Venture at (510) 476-3005.

Reference the Project Bidding Manual, Section III.B.1 regarding document availability and how to obtain the documents.

MODIFIED DOCUMENTS PER ADDENDUM 03

The items listed below make up the TG04.3 (Water System Relocations) Bid Package Addendum 03. This Addendum shall supersede all previously issued Bidding Documents wherein it contradicts or modifies the same. All other conditions and requirements remain unchanged. The changes, additions or deletions as set forth herein shall apply to the above bid and shall be made part thereof as though originally shown and/or specified.

Documents associated with TG04.3 Addendum 03

- a. This Addendum includes changes to the following specifications. The revised Section voids and supersedes previously issued Section of same number in its entirety. Each page is marked at bottom with a "Revised & Reissued" entry that includes date and number of this issue. Extent of new or revised text is defined by leading and trailing I I symbol, as applicable.

Section Number	Section Title
33 11 00	Water Utilities Distribution Piping and Valves
33 31 10	Sewer and Storm Systems Piping and Structures

- b. This Addendum contains the questions on bid documents (QBDs) and their respective answers as posted on the TJPA website.
 NOTE: There is a discrepancy between QBD #TG04.3-008 and this cover letter regarding bid date. The bid date on this cover letter takes precedence.
- c. Revised RUP specifications – volume 20 – section 00 01 10 Table of Contents dated 11-5-2010
- d. Exhibit ‘A’ - Revision C... ..C dated 11-8-2010 with modified bid form
