## Demolition and Construction Update

### 10 DAY LOOK AHEAD: Transbay Demolition and Construction Activities

Friday, March 25, 2011 – Sunday, April 3, 2011

#### THIS WEEK AT TRANSBAY...

##### **Weekend Work (3/26/11 – 3/27/11):**

The Crusher/Conveyors operation will be in effect in the West Terminal lot on Saturday, March 26 between the hours of 8:00 AM and 5:00 PM.

##### **Weekday Work (3/28/11 – 4/1/11):**

Weekday work will take place between Monday, March 28 and Friday, April 1. All contractors will work between the hours of 7:00 AM and 9:00 PM.

Center Terminal Demolition activities, including fill and grading of the site, will continue until Friday, April 8 between the hours of 7:00 AM and 5:00 PM.

West Terminal Demolition activities, including Crusher/Conveyors operation, fill and grading of the site, will continue until Friday, April 8 between the hours of 7:00 AM and 5:00 PM.

Demolition work will continue on the old Bus Ramp from Howard Street towards Folsom Street as well as the old Bus Ramp off Clementina Street. Demolition is ongoing beside Clementina Street with debris processing to continue on these adjacent parcels into the month of April, between the hours of 7:00 AM and 5:00 PM.

Demolition work will close Clementina Street to through traffic at First and Second Streets. Local access will be granted from both First and Second Streets. There will be SFPD 10B Officers directing access at First and Second Streets. We will notify all affected properties before this change in access is made. Work will be between the hours of 7:00 AM and 8:00 PM

Work to remove timber pile foundations at the East Terminal lot (between Beale and Fremont Streets) will begin on Monday, March 28, 2011 between the hours of 7:00 AM and 4:00 PM.

Underground utilities work will continue and include:

Continued underground utilities work on Minna and Natoma Streets from First to Second Streets.

Continued underground utilities work on Natoma Street from Fremont to First Streets.

Continued underground utilities work on Howard Street from Main to First Streets.

Continued underground utilities work on Second, First, Fremont and Beale Streets from Mission to Howard Streets.

## Demolition and Construction Update

### Detours:

Minna Street will be closed to through traffic. Shaw alley will be closed due to utility work. Local access will be granted off Second and First Streets, Minna Street will be two-ways during this time.

Natoma Street (500 Howard Block) will be closed to through traffic at First Street. Access will be granted from Second Street, making Natoma Street two-ways during this time. Access may change due to the progression of demolition. All local buildings will be notified before this change occurs. All affected buildings will be granted full access to their parking garages and loading docks.

Natoma Street (400 Howard Block) will be closed to through traffic at First Street. Access will be granted from Fremont Street making Natoma Street two-ways during this time. Access may change due to the progression of demolition. All local buildings will be notified before this change occurs. All affected buildings will be granted full access to their parking garages and loading docks.

Clementina Street will be closed to through traffic at Second and First Streets between the hours of 7:00 AM and 8:00 PM.

Lane restrictions will remain on Howard Street between Main and First Streets between the hours of 9:00 AM and 3:00 PM.

Lane restrictions will remain on Second and First Streets between Mission and Howard Streets between the hours of 7:00 AM and 3:00 PM.

Lane restrictions will remain on Fremont and Beale Streets between Mission and Howard Streets between the hours of 9:00 AM and 3:00 PM.

### Sidewalks:

The Fremont Street east sidewalk will remain closed. Pedestrians must use the west side of Fremont Street until further notice.

Fremont Street west sidewalk - Pedestrians are being redirected onto a temporary sidewalk in the west parking lane of Fremont Street until Thursday, March 31, to allow for the demolition of the remaining portion of the building and construction of a new temporary sidewalk.

First Street east sidewalk - Pedestrians are being redirected onto a temporary sidewalk in the east parking lane of First Street until Thursday, March 31, to allow for the demolition of the remaining portion of the building and construction of a new temporary sidewalk.
